November 20, 2018

Dear parents,

We would like to ask for your cooperation in our endeavor to see our students not only reach but surpass their learning goals. We have put in place a school-wide initiative to help all our students reach their individual goals by accessing and using the i-Ready program with fidelity along with other comprehension activities. Each student has received a set time amount depending on their individual placement as follows:

On-grade level- 45 minutes per week

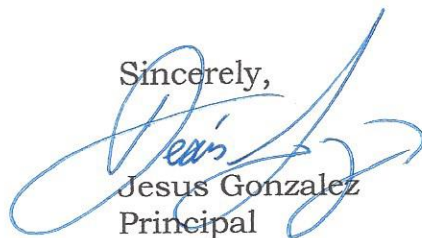

Approaching level (1 grade level below)- 60 minutes per week

Needs Improvement (2 or more grade levels below)- 75 minutes per week

Our striving students are being given time in homeroom to access the i-Ready program to help alleviate some of the time that they would spend on the program at home. Students must also score a minimum of 75% on their lessons to pass and move to the next skillset. We ask that you help us promote this program by not only encouraging your child/children to complete his/her/their lessons consistently but also monitor them to ensure that they are using it effectively.

We thank you for your cooperation in helping us in this endeavor. Together, we can make a huge impact on our students!

Sincerely,

Jesus Gonzalez
Principal
