Dear Parent/Guardian of _____:

Palmetto Middle School is offering an after-school tutoring program to assist students with math and reading skills. Your child has been identified based on classroom performance and/or statewide assessment data as one who would benefit from this extra time with a teacher.

Sessions will be held at Palmetto Middle School on **Mondays and Tuesdays** beginning January 27, 2020 through March 17, 2020. Sessions will take place after-school from 4:00 PM – 5:00 PM. **Select students will be eligible for bus transportation.**

What are the benefits?

Middle school is the window of opportunity for learning and by becoming involved in the math and literacy tutorial program, you are providing your child with an important chance to increase their overall skills in math and/or reading.

Do I need to supply any materials?

No. All assignments are provided by the school.

Is homework assigned?

There will be NO HOMEWORK assigned.

What do I need to do as a parent?

You and your child will be asked to review and sign the attached permission form in which you agree to have your child attend the after-school tutorial program.

Please indicate your interest in having your child participate in the tutorial program by signing the attached permission form and returning it to the **Attendance Office by Friday, January 24, 2020.**

Sincerely,

Mr. Jesus Gonzalez
Principal

AFTER-SCHOOL TUTORIAL PROGRAM

Student Name: _____ ID#: _____

Yes, I want my child to participate in the after-school tutorials
I will encourage and support my child for the duration of the Palmetto Middle School after-school tutorial program. My child will attend all tutorial sessions that he/she is assigned. I will make sure my child is picked up **on time** from each session. I will make myself available for teacher contact or conferences, and I will not hesitate to contact my child's teacher if I have any questions or concerns. I understand that any disruptive behavior can result in my child being dismissed from the program.

No, I do not want my child to participate in after-school tutorials and will complete the intervention at home or via private tutor.
