

SCHOOL COUNSELORS

The Student Services Team at Palmetto Middle School is dedicated to promoting student achievement by providing a comprehensive counseling program that addresses the academic, career, and social/emotional development of each student at our school. A Comprehensive Student Services Program is an integral part of the educational process that enables all students to achieve success in school and in the future. Our school counselors strive for all our students to have a productive and successful year and are committed to help students explore their abilities, strengths, interests, and talents. Please feel free to contact your child's counselor with any questions or concerns.
