- Please note the **PTSA Calendar of Events** for the year, which will be sent home and posted on our website. Any date changes will be announced on the App and in the 'Lancer LINK' newsletter.

#### General Information:

- **Uniforms:** Palmetto Middle School Students are **required to wear a uniform**. To see the uniform policy, go to <https://palmettomiddle.com/uniform-policy/>. Students are also required to wear a separate uniform if they are taking Physical Education (P.E.). P.E. uniforms can be purchased in our school store which will be open before school starts (see dates above) and, once the new school year begins, in the mornings before school in the Media Center. We recommend you purchase 2-3 PE outfits to ensure you have a clean one to send with your child when needed.
- **Online Store:** Visit <https://palmettoms.memberhub.com/store> to pre-order uniform polos, sweatshirts, Friday spirit shirts and other supplies. Order pickup is Thurs., August 19th from 1PM-8 PM and Fri., August 20th from 9 AM - 1 PM; or at the School Store as of August 23rd.
- **Class Schedules:** Class schedules will be provided on or close to the first day of school on the MDCPS parent portal at <https://mdcpsportal.dadeschools.net>. 6th graders will receive schedules at orientation.

- **School Supply Lists:** Teachers will provide during the first week of school, not before school starts. Your child should come to school the first day with basic necessities: a binder, paper, pencils, pens, and a computer flash drive
- **Lunch:** Can be brought from home or purchased at school. More information about school lunch, including a daily menu, can be found here: <http://nutrition.dadeschools.net>
- **Bus Service:** If your child is eligible for bus service, you will receive a postcard from the school district (probably in August) with details about your bus route and pickup/drop off times. This information is also available on the Student Portal. If your child is not eligible for bus service and you live in Pinecrest (usually those people within 1 mile of the school), you can request that the Village of Pinecrest schedule a People Mover stop near your home. If you are interested in using this service, whether a retuning rider or a new one, you must let the Village know by completing the "Stop Request Form" at [www.pinecrest-fl.gov/PPM](http://www.pinecrest-fl.gov/PPM) or emailing your information to [PPM@pinecrest-fl.gov](mailto:PPM@pinecrest-fl.gov). You can also visit [www.pinecrest-fl.gov/PPM](http://www.pinecrest-fl.gov/PPM) to see the new route once it is posted at the end of the summer.
- **Parking (Drop off/Pick up):** Parking is very limited but surprisingly manageable. Unlike elementary school, there is no specifically designated drop off/pick up spot. During drop off in the morning, you are welcome to park on the perimeter of the school (NOT in the teacher parking lot). Most parents drive past the front, stop at the crossing guard and let their child out. For pick up, set up a place to meet your child nearby the front/side of school. Pick up is very crowded but don't fret - it works. You and your child will figure out what works for you in the first week.
- **Clubs/Sports:** PMS offers a HUGE variety of activities and we highly encourage your child to get involved. Clubs and sports vary from year to year. Please go to [www.palmettomiddle.com](http://www.palmettomiddle.com), and click on "Students" to see what clubs and sports are offered, and when. In the first weeks of school, your child will be given information about clubs and sports for the 2021-22 school year.
- **Summer Reading:** Please go to <https://palmettomiddle.com/2021-summer-assignments/>. In an effort to minimize loss of learning during the summer, Palmetto Middle School has provided students in grades 6-8 summer reading.
- **Special Programs:** Palmetto Middle is proud to be a Cambridge School! To learn more about the program, go to <http://www.cie.org.uk>. Palmetto Middle also offers a Forensic Science Academy. To learn more about this program, go to [www.palmettomiddle.com](http://www.palmettomiddle.com) under 'Academics.' In addition, Palmetto Middle offers various levels of instruction, including gifted, advanced, general education and remedial. To be in the gifted program, a student must have an EP (Education Plan). Questions? Contact the school to find out more information about appropriate class placement for your child.

### Get Involved:

- **Volunteer!** Parents/Guardians, Grandparents, Community Businesses- We LOVE and NEED volunteers! Not only is it rewarding, but volunteering is the best way to know what is going on at your child's school. Please read the PTSA directory to see what committees we offer. Each one could use help. To volunteer, please email us at [pmsptsavolunteercoordinator@gmail.com](mailto:pmsptsavolunteercoordinator@gmail.com).
- **JOIN THE PTSA!** Even if you can't volunteer, joining the PTSA gives you a voice on important issues related to your child's education. Each member is COUNTED and represented by our State organization when speaking to lawmakers in Florida about important legislation that affects YOU AND YOUR CHILD! If you are concerned about your child's education, their safety in schools, the tests that they are required to take, and many other issues, then joining the PTSA is the easiest way to have your voice heard. In addition, our monthly meeting agendas and minutes are posted online for your information and input all year round- even if you cannot attend the meetings.
- **Help support Palmetto Middle School PTSA when you shop Amazon!** Add this bookmark to your computer and use it when you shop at Amazon. There is no additional charge to you and Amazon will give our PTSA a small commission of all sales. Please share with friends and family. THANK YOU! <http://www.amazon.com/?tag=palmettomiddleptsa-20>.

*Need more information?*

Visit the PTSA in the cafeteria on **Thursday, August 19th, 1pm-8pm** and **Friday, August 20th, 9am-12pm**, where PTSA representatives will be available to answer your questions.
