August 17, 2022

Dear Parents, Students, and Guardians,

It is with a renewed sense of excitement that we embrace the 2022-2023 school year. This year promises to be filled with exciting and golden opportunities. We will strive to find new ways to continue on the road of excellence as we remodel our school. We embark on this journey by continuing to build upon and refine our proven foundation of quality work, honored traditions, excellence in education while also embracing the need to be patient and flexible.

As in years past, our school will continue to offer academic excellency via a myriad of programs such as The Cambridge Program, Advanced Academics/Gifted courses, Special Education (SPED Program), Fine Arts (Theater/Drama, Art, and Band), Foreign Languages (Spanish, French, and Mandarin), Physical Education, and the Forensic Science Program.

We look forward to working with you as we strive to continue to attain new academic heights. Remember to keep up to date with school events via our website at [palmettomiddle.com](http://palmettomiddle.com). or the Palmetto Middle School PTSA App. All guidelines, calendars, events, and any pertinent information regarding our school may be accessed through both platforms.

This will be a year of continuing to build our tradition of excellence. We are proud to once again be an "A" school. Together, we will work toward our school's commitment to helping our students thrive socially, emotionally and academically. Our dedication to promoting high-quality education for all students will continue to be our priority at Palmetto Middle School.

Again, we welcome you to the Palmetto Middle School family and wish everyone a successful and safe 2022-2023 school year.

Sincerely,

Jesus Gonzalez  
Principal
